Live life to the full

The all-new Civic e:HEV embodies self-charging hybrid technology at its most advanced with responsiveness and efficiency built-in. Every drive delivers exhilaration with pleasure and because e:HEV gives you a **full hybrid experience**, the Civic can run exclusively on smooth, silent electric power – unlike a mild hybrid.

Now in its 11th generation, the Civic benefits from a quarter century of Honda hybrid knowhow with the resultant e:HEV technology supplying the perfect balance of performance and economy every time you get behind the wheel.

Furthermore, the Civic's sporty dynamics are wrapped in a stunning fastback body that demands attention. With the Civic name as your badge of approval, isn't it time to find out more?

The Honda Civic

The power of now

Honda e:HEV technology means you can enjoy the benefits of electrified motoring, such as instant power, all of the time. As a **self-charging hybrid** that makes its own electricity, you'll never need to connect to the mains - it's maximum energy with minimum fuss. The all-new Civic really is the driver's hybrid.

A balanced approach

A true all-rounder, the all-new Civic's driving modes offer extra performance or economy on demand.

Switching effortlessly between **Normal**, **Sport**, **Econ** and **Individual** allows you to tailor your drive to suit your preference and get the best performance from the e:HEV system.

Normal demonstrates a perfectly engineered balance of performance and efficiency, while Sport offers greater acceleration and Econ works to improve fuel efficiency. Choose Individual to fine-tune steering weight and throttle response and drive the way you want.

Designed to be driven

Since its original debut, the Civic has been a gamechanger. Over the generations, and with more than 27 million sales, its name has come to stand for reliability and **innovation matched with a sporty soul.**

Nowhere is this truer than in the metal. The performance style is obvious and the redesigned chassis puts you at one with the road. Its handling and ride have been set-up to give you precise dynamics and comfort in equal measure.

A first class cabin

Immerse yourself in a generous and stylish interior: the all-new Civic's longer wheelbase creates more space and greater comfort for you to enjoy.

An ergonomic driving position, plus Honda's new Body Stabilising front seats reduce the stress of a long journey and are a further innovation designed to help you drive relaxed and arrive refreshed.

Intelligently designed fabrics and quality you can feel make the cabin a refined place to be - at any pace.

Next generation, right now

The all-new Civic represents modern thinking and cutting-edge hybrid technology and shares its DNA with Honda's long sporting pedigree.

A dynamic silhouette, an opening glass roof*, full-width rear lights and a wider track make for a very modern machine that looks like it's moving forward even when it's standing still.

Never scared to start a trend instead of merely following fashion, the Civic's fastback design stands for progress, performance and premium quality.

Style that stands out

True style never goes out of fashion, which is why the Civic has been delighting drivers since 1972. The **all-new, streamlined design** sets the stage for this next generation with its clean, contoured lines and sporty silhouette that simply demand attention.

In town or on the open road, this is a car that's designed to impress.

Safer all round

An enhanced suite of **Honda SENSING** features and a total of 11 airbags are proof-positive that safety is built into the very fabric of the all-new Civic.

The new 100° front wide-view camera has enhanced road marking and vehicle recognition abilities, while the rear camera and the all-round sonar sensors make the Civic one of the safest places on the road.

A total sense of **safety**

Equipped with the full suite of Honda SENSING safety technology, the all-new Civic signals our desire to prioritise the person. At Honda, our human-centric approach informs everything we do and is the essence of every car we put on the road. **Honda SENSING technology** includes:

Collision Mitigation Braking System
Reduces the possibility of colliding with another vehicle, pedestrian or cyclist by alerting you and reducing speed.

Collision and Rear Mitigation Throttle Control
Recognises obstacles ahead of or behind the vehicle, and issues audio and visual alerts when stationary or moving at less than 10 km/h.

Road Departure Mitigation System
A warning system that flags the possibility of your vehicle crossing over lane or road boundary markings.

Intelligent Speed Limiter
Automatically sets the speed limit as detected by the traffic sign recognition system.

Adaptive Cruise Control with Low-Speed Following
Maintains a constant speed and a set following interval behind a vehicle in front, and can decelerate and stop the car autonomously if needed.

Traffic Jam Assist
Reduces the driver's workload in low-speed, congested traffic by steering to keep the vehicle in its lane.

Adaptive Driving Beam*
This reduces unwelcome glare by using the on-board camera to detect vehicles in front and automatically switches the headlights individual LEDs on and off to provide the most suitable spread of light.

* Available on Advance grade only.
Model shown is Honda Civic 2.0 i-MMD Hybrid Sport in Premium Crystal Blue Metallic. For more information on which grades this and other features are available on please refer to the specification pages 78-83. Model shown is not currently available in Ireland.

Blind Spot Information
Making lane changing safer, a discrete warning light is activated in the appropriate door mirror when a vehicle is detected approaching in an adjacent traffic lane.

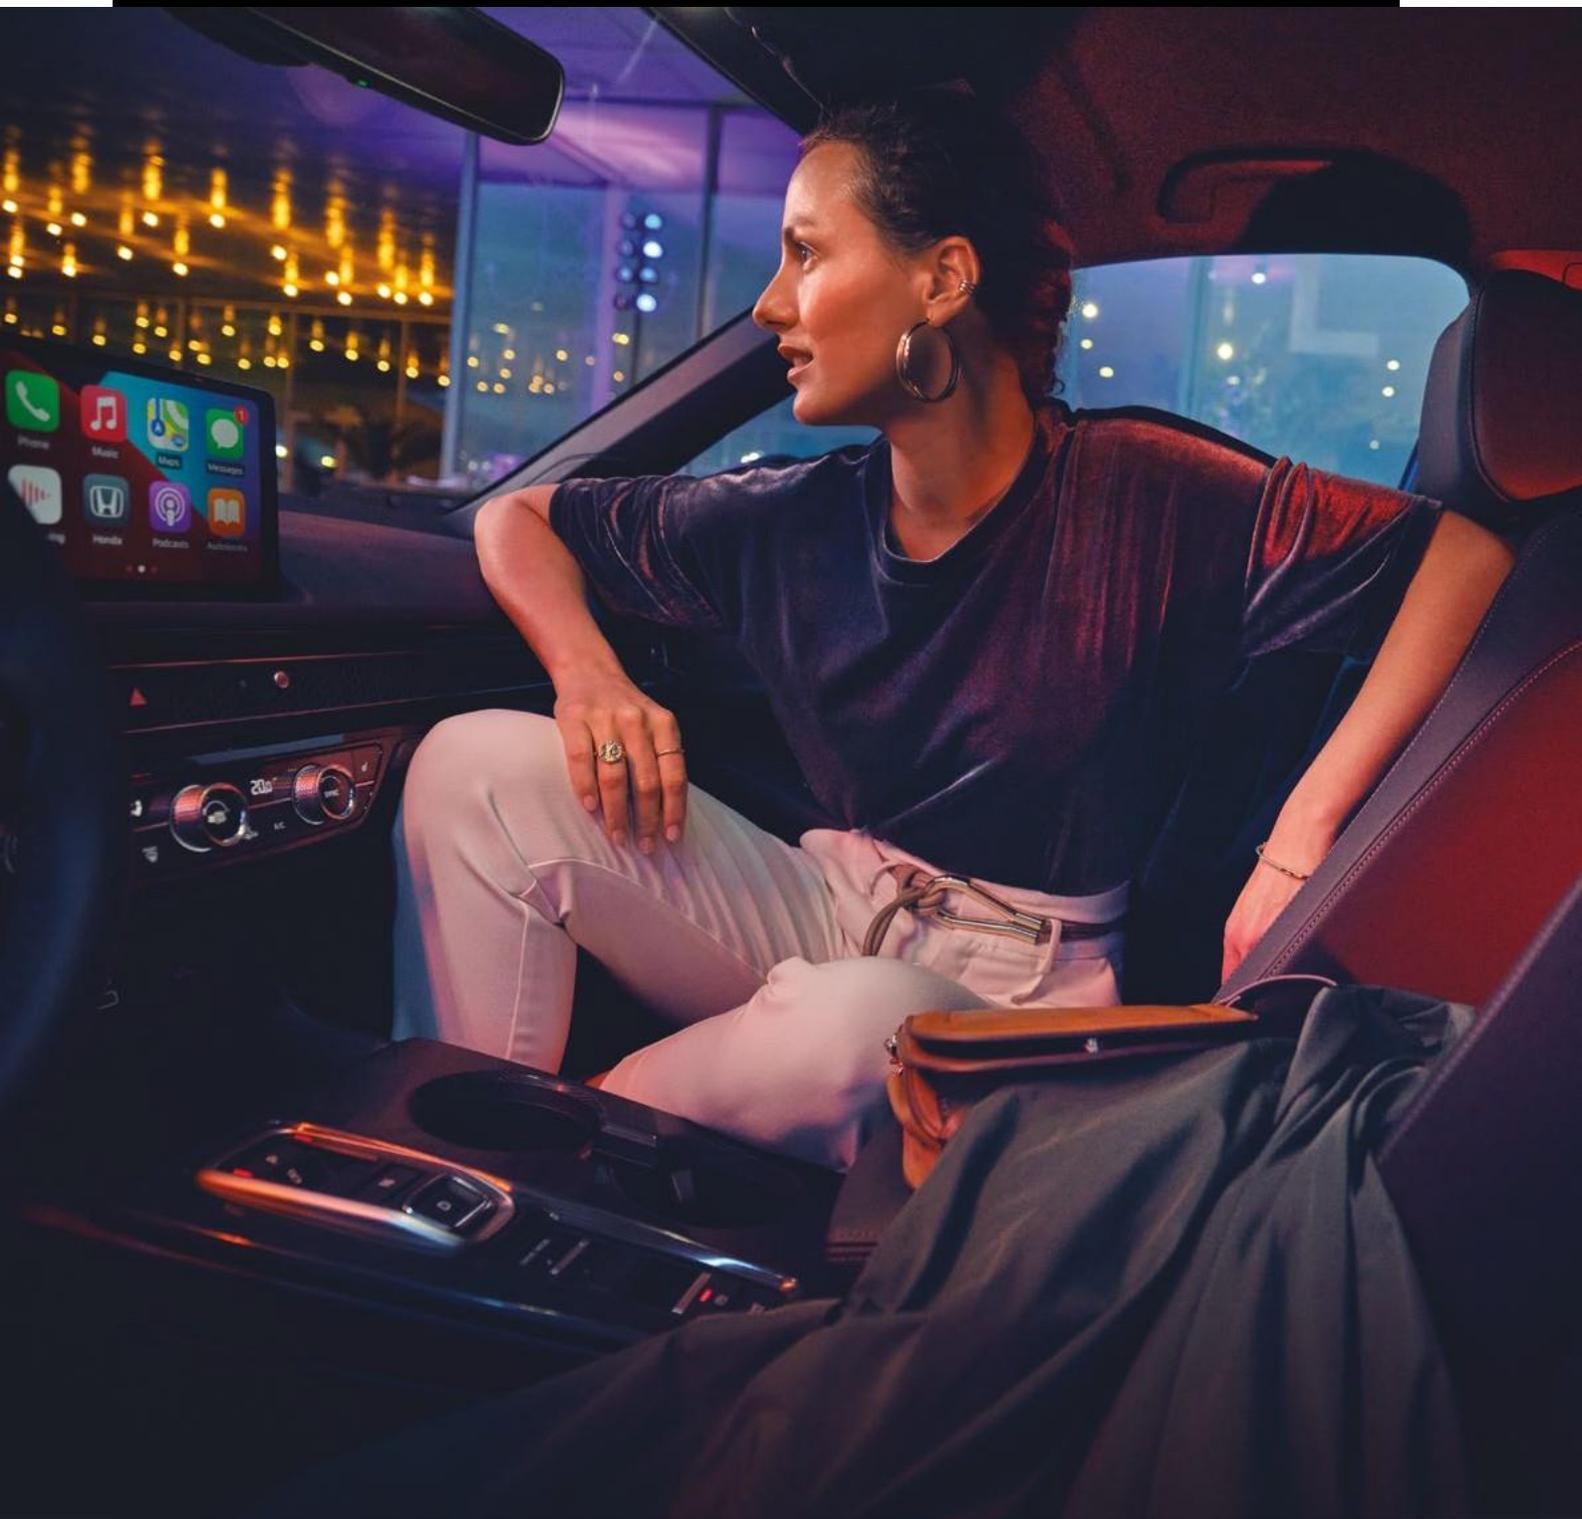

Cross Traffic Monitor
Monitors the rear corner areas using the radar sensors when reversing and alerts you if a vehicle is detected approaching from either side.

Parking Sensor System
The front and rear parking sensors monitor obstacles around your Civic to make positioning your car simpler and less stressful. Coupled to this is the rear view camera that displays a clear view of the space behind you on the 9" touchscreen.

Style

Model shown is Honda Civic 2.0 i-MMD Hybrid Sport in Premium Crystal Blue Metallic. For more information on which grades this and other features are available on please refer to the specification pages 78-83. Model shown is not currently available in Ireland.

Ready to go

Whether it's date night or a weekend away, the all-new Civic is ready for anything: charging points for your devices, places to stow them when not in use, and an **intelligently designed fascia** are just a few of the touches that bring a little lustre to the everyday.

FRONT AND REAR LOWER DECORATIONS
Further sharpen the features of your Civic with the Front and Rear Lower Decorations.

SIDE LOWER DECORATIONS
The gleaming Ilmenite Titanium Lower Decorations create sporty refinement.

FOG LIGHT DECORATIONS
The Fog Light Decorations in Ilmenite Titanium add another stylish touch.

DOOR MIRROR COVERS
Door Mirror Covers in Ilmenite Titanium complete the look.

Alloys

Our Civic alloys' collection with a choice of three options gives you a chance to add some further panache to your drive.

01

ALLOY WHEEL 18" CI1811
The 18" CI1811 features a diamond cut A-surface with a shiny clearcoat and Gunpowder Black windows.

02

ALLOY WHEEL 18" CI1812
The 18" CI1812 features a diamond cut A-surface with a matte clearcoat and Rombo Silver windows.

03

ALLOY WHEEL 18" CI1813
The 18" CI1813 alloy wheel features a full paint Gunpowder Black finish with a shiny clearcoat and gradient centre caps.

Model shown is Honda Civic 2.0 i-MMD Hybrid Sport in Premium Crystal Blue Metallic. Model shown is not currently available in Ireland.

Protection Pack

We call it the Protection Pack for good reason. This pack, which contains Side Body Trims in body colour, Mud Flaps (front and rear), Boot Sill Decorations, front and rear All-season Mats and a Foldable Boot Mat protects your Civic from dinks and scratches. The accessories are all made from tough quality materials.

DOOR SILL TRIMS
The Door Sill Trims add a personal touch to your car while protecting the door sills from marks and scratches. They are crafted from brushed stainless steel and have an eye-catching, polished Civic logo. This kit includes: front and rear trims.

REAR BUMPER STEP PROTECTOR
Constantly loading and unloading the boot can cause annoying little dinks and scratches. Protect your car's bodywork with this neat Rear Bumper Step Protector.

BOOT SILL DECORATIONS
The Boot Sill Decorations are a practical and stylish accessory for the boot. They protect against scratches and bumps. With an attractive brushed stainless steel finish, it fits perfectly onto the boot's lining.

FRONT AND REAR MUD FLAPS
Protect your car against dirt and stones with these subtle Front and Rear Mud Flaps. They're a great long term protection feature.

Items in the pack are also available separately. Alloy wheels are sold separately. Model shown is Honda Civic 2.0 i-MMD Hybrid Sport in Premium Crystal Blue Metallic. Model shown is not currently available in Ireland.

Protection & Safety

Stay covered: with Side Body Trims that ward off marks and scratches and a Windshield Cover that ensures a clear view in any weather, these items offer **protection from the elements** and day to day wear and tear.

- 1. **Side Body Trims**
There's nothing worse than a scratch or dink in your car's bodywork. The Side Body Trims are made from soft, impact-resistant material and provide side protection for your car as well as adding a design feature.
- 2. **Windshield Cover**
Designed to shield your Civic against the elements, the Windshield Cover will protect the mirrors and front side windows from heavy weather and features the Civic logo.

Alloy wheels are sold separately. Model shown is Honda Civic 2.0 i-MMD Hybrid Sport in Premium Crystal Blue Metallic. Model shown is not currently available in Ireland.

Cargo Pack

If you frequently transport luggage or specialised equipment, the Cargo Pack will help keep it **organised** and **secure**. The pack includes a Boot Tray and Boot Tray Dividers.

- 1. **Boot Tray**
This waterproof anti-slip Boot Tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. It has raised edges and features the Civic logo.
- 2. **Boot Tray Dividers**
The addition of Boot Tray Dividers prevent your cargo from sliding around and keeps it in place at all times.

Alloy wheels are sold separately. Model shown is Honda Civic 2.0 i-MMD Hybrid Advance in Platinum White Pearl

Transport

Presence and practicality: as well as standout looks, the Civic is equipped for wherever you're going and whatever you're doing.

- 1. **Detachable Tow Bar With 13-Pin Trailer Harness**
With this Detachable Tow Bar, you can tow your caravan or trailer with no worries at all. It's less visible when detached too. Maximum towing capacity: 750kg. Maximum vertical load: 75kg.
- 2. **Thule Bicycle Carrier – Easyfold XT**
This Bicycle Carrier which is Thule certified by Honda carries two bicycles, is simple to install and easily foldable for storage. It has a tilting function for effortless boot access and an anti-theft locking system. It comes with a 13-pin connector and requires a 13-pin trailer harness.
- 3. **Roof Carrier**
Expand your car's carrying capacity with a secure Roof Carrier. It includes four locks. Maximum load capacity: 60kg or maximum one bicycle.
- 4. **Thule Roofbox 400L Motion XT M Type**
This sturdy, waterproof box, which is Thule certified by Honda, gives you an extra 400 litres of storage space. It features the PowerClick system for easy mounting, an anti-theft lock and Dual-Side opening. Its dimensions are 175cm length, 86.5cm width and 46cm height.
- 5. **Foldable Boot Mat**
The Foldable Boot Mat offers protection to your boot and to the complete loading floor in case the rear seats are folded down. This boot mat is also reversible; one side is made of tufted carpet and the other has a water repellent anti-slip pattern. Additionally, this mat comes with a flexible flap to prevent scratches on your bumper when (un)loading your car.

Models shown are the Honda Civic 2.0 i-MMD Hybrid Advance in Platinum White Pearl and Honda Civic 2.0 i-MMD Hybrid Sport in Premium Crystal Blue Metallic. Alloy wheels are sold separately. Sport is not currently available in Ireland.

White Premium Illumination Pack

The Premium Illumination Pack combines both interior and exterior illumination items. **This pack includes:** a complete suite of illuminated elements for the Front Foot and Under Seat, Door Sill Trims, Cup Holder and Console. The Door Lining Illuminations create a cool white ambient atmosphere in your car and the finishing touch is the Illuminated Civic Pattern Projector.

WHITE DOOR LINING ILLUMINATIONS
By turning on the ignition, the door lining becomes illuminated, fitted to the door handles and door pockets, emitting a cool white light.

Items in the pack are also available separately. Also available in red.
Model shown is Honda Civic 2.0 i-MMD Hybrid Sport in Premium Crystal Blue Metallic.
Model shown is not currently available in Ireland.

WHITE CUP HOLDER AND CONSOLE ILLUMINATION
By turning on the ignition and headlights, the bottom of the cup holders and the storage box in the centre console become illuminated, bringing a cool white light to the interior of your car.

WHITE FRONT FOOT AND UNDER SEAT LIGHTS
By unlocking the doors, the area under the seat and the complete front footwell becomes illuminated with a bright cool white light. While driving with the headlights on, the light output is dimmed by 50% to avoid distraction. When the headlights are off, these lights are switched off as well.

WHITE ILLUMINATED DOOR SILL TRIMS
The Illuminated Door Sill Trims are crafted in brushed stainless steel and have a white illuminated Civic logo. They are protecting the Door Sills from marks and scratches. This kit includes illuminated front and non-illuminated rear trims.

ILLUMINATED CIVIC PATTERN PROJECTOR
By opening the front doors, the Civic pattern is projected on the ground with a bright white glow creating more visibility in the dark when getting in and out of your car.

1

Interior & Comfort

1. Premium Floor Mats

These premium and custom fitted tufted carpets, with dual tone black/silver nubuck binding, have a metal Civic emblem for durability. One set includes: front and rear mats.

2. Child Seat

Honda's Trifix is perfectly tailored to the needs of children from 76 cm to 105 cm tall, which makes it the ideal follow-on seat to any infant carrier like the Honda Baby Safe. It's easy to secure in the car thanks to its integrated ISOFIX connectors and top tether, while its optimised seating area ensures that there's enough space for a growing child from 15 months up to about 4 years and with a weight of up to 22kg. The unique range of advanced safety features mean you can rest assured that your child will be well protected in the car.

3. Sunshades

Stay cool and in the shade with these Sunshades. They provide sun protection for rear passengers and are easy to mount and take down again. This kit includes: two blinds and complimentary storage bag.
